Subject: Microsoft settlement - Thanks.

To Whom it may concern:

I just wanted to say that I believe the DOJ settlement with Microsoft is too lenient. I wish you had been successful in splitting the company into two separate entities: Windows OS and Applications.

Personally, I prefer to run Windows as an application under Linux. This way I don't have to reboot my PC when Windows crashes.

Just the same, thank you for your efforts and better luck next time!

Regards,

Trey Ackerman
